Good Morning. I hope this message finds you well.

We have had an internal hold for this Friday to conduct our next Paloma Stakeholders meeting. But, we are going to be pushing once more to ensure we have a substantial update for our Stakeholders. With the lease just about finalized we are excited to start working through the details. I'll be updating our calendar invite shortly but it will either be Wednesday, May 15th or Thursday May, 16th from 5 - 630pm. I will be in touch with our various City family members to ensure we have a full report ready.

Thank you again for your support and we look forward to seeing you there.

Hello everyone,

This email is to inform you that CD14 will be postponing the Paloma ABH community stakeholders meeting scheduled for 3/29. The meeting is now tentatively scheduled for Friday, April 26. Changes to the calendar invite are forthcoming.

The meeting will be set-up panel style and representatives will be collecting comment cards from the audience. Please review the attached event memo for more information.

Today is my last day with CD14. I will be joining the Mayor's Office of Public Engagement on 3/26 as the new East Area Rep. It's been a pleasure working on this project with you and look forward to continuing to work with you in my new role!

Joella Hopkins and Martin Schlageter will be your new CD14 POC's on this project moving forward. Please feel free to email them should you have any questions.

Thank you,
Edna

Hello everyone,

Paloma was approved unanimously yesterday in Homelessness and Poverty Committee!

Council will vote on a final approval of the site on Tuesday. We don't expect public testimony on Tuesday, so everything looks like it should move forward without a hitch.

It will be on a special agenda for tomorrow but it will actually be voted on Tuesday.

Thank you,
Edna
